REQUIREMENTS FOR THE REPORTS

Full text of the reports - up to 10 pages, incl. figures and tables. Requirements for preparation of reports:

- Size of white margins on the page in centimeters: 2.5 cm for all sides of the sheet.
- Pages should not be numbered and should not have footnotes.
- Reports must be written in .doc or .docx format (MS Office Word 97-2003 or higher).
- The report file must bear the name of its author (an example: **Name_Family.doc**).

STRUCTURE OF THE REPORT:

TITLE in ENGLISH: not exceeding 100 characters, 14 ppt

Author / Authors, (Full name of organization not abbreviation.)

Abstract in English: 60 - 80 words. Keywords in English:

- **Introduction:** the goals of the research and the relevance of the scientific problem are indicated; to contain an overview of the state of the problem and a review of the literature; to set the theoretical framework of the research, to derive the research questions and hypotheses.
- **Main part:** text, tables, figures, reference formulas, data sources. This part can be divided into several subparts.
- **Tables** inserted in the text should be editable (tables should be formatted as text, not as a picture) and cited in the text. The tables must be numbered in Arabic numerals. The word 'Table' and the numbers must be right-aligned. The table name is above them and is centered.
- **Figures** inserted in the text should be editable (figures should be formatted as text, not as a picture) and quoted in the text. The figures must be numbered in Arabic numerals, separate from the tables. The name of the figures is below them and is centered.
- **Conclusion:** To contain summaries and conclusions from the studies, proven, rejected, etc.
- **References:** All sources listed in the list of literature must be cited in the text. The citation in the text (and the description of the sources used) is done according to the Harvard System of short references.
